

Audit check	N	Pass rate (%)	Interpretation
No-transfer sample size	93		All sampled V4 route units with no intermediary-token ERC-20 transfer
Populated receipts	93	100.0	No-transfer examples are not empty receipt failures
Input/output transfer present	93	100.0	Receipt contains external endpoint-token movement while intermediary token is absent
Intermediary transfer absent	93	100.0	Confirms the sampled route unit has no ERC-20 transfer for the route intermediary
